Senior Pastor Search & Call Process to Develop a Congregational Profile

ABOUT THIS SURVEY

This survey asks members of the congregation to identify and assess the congregation's strengths, weaknesses; present and future program, staff and facility needs; local outreach ministry challenges and opportunities; and ministry expectations and priorities. The results will be shared and help the Pastor Search Committee have a feel for the pulse of the congregation and assist with writing a Congregational Profile Form. This profile about our Church will be used in conducting its search and interviews and develop priorities during the transitional period and beyond.

INSTRUCTIONS

Responses are anonymous and are due no later than **9/30/17**. Please drop your completed survey into the "church mailbox" located in the Narthex. Results will be shared with the congregation early October 2017. Please direct any questions to members of the Pastor Search Committee. Contact information is included in this survey.
